The OptoWest 2014 paraoptometric continuing education program has been submitted to ABO (American Board of Opticianry)/ NCLE (National Contact Lens Examiners) and the AOA Commission of Paraoptometric Certification (CPC). Some approvals were not available at press time. Do not assume that courses you register for are approved.

COA is not responsible for courses that are not approved by ABO/ NCLE or CPC. If you are attending a course that is ABO, NCLE or AOA approved, you will receive an ABO, NCLE, or CPC CE slip for that course at the end of the class. You will need to complete the appropriate form and submit it to ABO/NCLE or the CPC in order to receive credit toward ABO/NCLE or AOA Paraoptometric re-certification. For an updated listing of approved ABO/NCLE and AOA Paraoptometric certification courses, please visit www.montereysymposium.com.
